*Transforming the Way You Work*

Nashua Technology Park (NTP) campus consists of over 750,000 SF of interconnected, energy-efficient Office/R&D buildings within the Gateway Hills campus. The park and location have become a key component in the growth of numerous leading high-tech companies including Dell EMC, Skillsoft, Amphenol TCS, Benchmark Electronics, Plexxi, IPG Photonics, Verico Technology, Parallel Wireless and more.

The site plan for Nashua Technology Park includes the potential for additional R&D space, of which 240,000 SF is currently being engineered and approved.

There is a real sense of community here at NTP @ Gateway Hills. The John Flatley Company supports the growth of each and every tenant and encourages aspiring entrepreneurs to start their own business ventures and grow within this high-tech community environment.
